

SPP

SAVINGS PLUS PROGRAM

Expand Your Retirement Horizons

For the most up-to-date information, forms and publications for the following programs visit the Savings Plus Program web site at www.sppforu.com

Savings Plus Program:

If you're a permanent State employee, you have two options to boost your retirement savings: a 401(k) plan and a 457 plan.

For more information and to sign up, visit www.sppforu.com or call our toll free number 1-866-566-4777.

Alternate Retirement Program (ARP):

ARP is a retirement savings program that certain State employees are automatically enrolled in for their first two years of employment with the State of California.

For more information on the ARP, visit SPP's website and click the "Alternate Retirement Program" quick link.

Part-time, Seasonal, and Temporary Retirement Program (PST Program):

PST is a mandatory retirement program for part-time, seasonal, and temporary employees.

For more information on the PST Program, visit SPP's website and click the "PST Program" quick link.
